A Message from the Provincial

Dear Friends,

We have received a number of positive comments from you about our last few issues. You seemed to be pleased to have an update on the Sisters and the variety of ministries in which they work. It is rather impressive to see how they carry out our mission of manifesting God’s compassionate presence in the spirit of Mary in so many ways.

This newsletter will be distributed near the time of Catholic Schools Week, so we feature a few more of our teachers. The Catholic Schools Week theme, “Catholic Schools: Faith. Academics. Service,” focuses on three priorities of Catholic schools. Children are taught how to develop a relationship with God. In doing so, they learn that loving God means reaching out to others in need. The service aspect of Catholic education implies that not only is an activity done, but Gospel values are taught along with the activity. Of course quality education is a primary value in Catholic schools, too. A well developed curriculum and professional staff both enable students to succeed. On page 2 you can see how three of our Sisters minister in two elementary school communities.

Sisters who are involved in our Servite Center of Compassion and St. Peregrine ministry have created an outreach program for Omaha area parishes. These evening presentations give those who are ill and their caregivers an opportunity to talk about their fears and feelings when dealing with illness. There is also a time of prayer and the Sacrament of Anointing is offered. This program is an extension of our Peregrine Ministry which we established over fifteen years ago.

We also feature a number of our Sisters who are involved in various forms of parish work. Whether they are working with music ministry, RCIA, outreach programs or faith formation, all of these Servites have a wonderful opportunity to model compassionate presence to those with whom they work and serve.

In Mitch Albom’s recent book, have a little faith, he speaks of a turning point in his life. This came when his friend, a Rabbi, told him that Mitch, too, was a man of God. It was a moment when he realized that faith meant, “Turning to the person next to you and saying, ‘You are a Child of God.’” If we all believed that, then we would have to treat each other better because we would see each other as the same.” This is how we Servants of Mary strive to live out our mission. We are blessed to work with and serve so many wonderful people. Thank you all for being the face of Christ for us.

God bless you,

Sr. Mary
Servite Sisters Celebrate Catholic Schools Week

Catholic Schools Week (CSW) celebrates what makes parish schools stand apart from other schools - faith, academics and service. Parish schools across the country observe CSW with Masses and special activities for students, their families and parishioners.

CSW activities at Cathedral Grade School in Portland, Oregon where Sr. Carol Lorenz, OSM (Sr. Anne Marie) and Sr. Jackie Ryan, OSM (Sr. M. Colleen) teach include: a parish Mass at which students speak about the education, service opportunities, religious, and community aspects of the school; a student-planned Mass with their Archbishop; Special Friends Breakfast; Cathedral Bowl, students versus teachers basketball games; Clash for Cash, students compete to raise money to pay for the education of two students in Tanzania; a skate night; a Reading Marathon and a classroom teacher swap.

“I love teaching,” says Sr. Jackie, “and am excited to be a part of a school where I can support and be involved in an atmosphere of compassionate presence. I feel that education is about lighting a fire. I hope and pray that the fire lit enables these students to live with a love of neighbor and of learning.” “As a middle school language arts, religion and social studies teacher,” says Sr. Carol, “I enjoy working with pre-teen students, helping them experience acceptance and belonging, as well as encouraging and challenging them academically. The enthusiasm, caring and generosity of these future leaders are hopeful gifts for our world.”

Sr. Bernie Misson, OSM, teaches at St. Patrick School in White Lake, Michigan. An activity for each day of CSW follows the theme. This year thank you notes were sent to parents for giving the students a Catholic education, and an appreciation gift was given to teachers. Students work on community service projects throughout the school term. Eighth grade students helped start a library for patients in the children’s unit of an area hospital. They made blankets for a shelter for the homeless. “I find the youthfulness of children,” says Sr. Bernie, “even middle school students, to be life giving. To share their experience and desire for God is a great reward.”

Sr. Carol Lorenz, OSM discusses a geography question with her students at Cathedral Grade School in Portland, Oregon. Sr. Carol has also taught in Detroit and Omaha.

Sr. Jackie Ryan, OSM helps her fifth grade students with research on a classroom computer. Sister’s previous teaching assignments were in Omaha, and she was principal at Holy Name, Omaha. Sr. Jackie and Sr. Carol have taught at Cathedral Grade School since 1986.

Sr. Bernie Misson, OSM assists her student, Cydney Ayad. Sr. Bernie has taught in Omaha and in Southfield, Michigan. Her current teaching assignment is at St. Patrick School in White Lake, Michigan.
St. Peregrine Ministry Visits Area Parishes

In the midst of the anxiety, fear, and pain that accompany serious illness, questions abound - Why me? Why now? Can there be healing for me? Where is God in all this? An opportunity for those coping with serious illness to claim new hope and experience the comfort of prayer is being offered by the Servite Center of Compassion. “Renew Your Faith, Refresh Your Spirit” is an outreach made available this year to Omaha area parishes. The evening program includes prayer, the Sacrament of Anointing of the Sick, and a presentation on the struggle to understand suffering, healing, and one’s relationship with God. Information is also given about the Servants of Mary St. Peregrine ministry which, for over fifteen years, has offered prayer and compassionate presence to those with serious illness and to their caregivers. St. Peregrine, a Servite brother, is the patron saint of those with cancer and other serious illness.

Those enrolled in the St. Peregrine prayer program are remembered in the daily prayers of the Sisters and in the monthly Mass in honor of St. Peregrine. Those enrolled receive a medal and prayer cards. Prayer cards are also sent to those who have enrolled someone in the program.

There are two annual events held at the St. Peregrine Masses. The St. Peregrine May Gathering this year begins with a presentation by Sr. Marie Micheletto, RSM, who will invite all to celebrate the lives of loved ones who have passed through this life and remember those who are presently dealing with cancer. Sister will encourage all to give thanks for the blessings hidden in challenges and in the support of others. The presentation will be followed by a Liturgy which includes the sacrament of Anointing of the Sick, and a luncheon in the Servite Center of Compassion. In November, the Mass is a Memorial for all in the Prayer Program who have entered eternal life during the past year.

Parish response has been positive regarding the new “Renew Your Faith, Refresh Your Spirit” outreach program. Omaha area residents interested in scheduling the evening program in their parish may contact their parish priest. For more information, contact Margaret Stratman, OSM at (402) 951-3026 or scc@osms.org.

To enroll yourself or a loved one into the St. Peregrine Prayer Program, complete and return the form on the envelope enclosed in this newsletter. An enrollment form may also be found on our website www.osms.org or by contacting:

Shared Blessings

“When I enrolled my mother in the St. Peregrine prayer program, she was already gravely ill. She passed away two weeks ago. I would be very grateful if you could continue to remember my mother and my family in the prayer program. Right now, prayer is the most valuable gift that my sister and I can receive. In many ways, it is my faith in the Lord that has been the only consolation and light that has guided me through the darkness of the past weeks.”

“The first time I received the sacrament of Anointing of the Sick, I had been recently diagnosed with Hodgkin’s Disease. A Servite Sister invited me to attend the Mass dedicated to St. Peregrine. It was an “Anointing Mass.” As I approached the priest and extended my hands for anointing, my eyes filled with tears. A Sister stood nearby, embraced each person who was anointed and promised to pray for us and our caregivers. I asked God to gently lay his hand upon me and give the grace and courage to accept whatever lies ahead. That was fifteen years ago! Since then, each time that I have received the sacrament, I have felt contentment and blessing.”

“I am so thankful to the St. Peregrine Ministry, as your prayers and his intercession meant so much to us. Thank you, thank you! While my sister was not healed physically, she experienced five months of time to come to know God more deeply and time to spend with family and friends. She has returned to God, and I know the prayers you offered on her behalf made a great difference. I am sorry I will not be able to attend the Memorial Mass in person, but I will be offering up prayers for all those who need them.”
The recent implementation of the revised English translation to the Roman Missal is the first significant change to the Mass for Catholics born after the 1960s. While Catholic communities are experiencing the challenges as well as the benefits of the changes, Servants of Mary who minister in parishes are finding occasions to motivate and enrich the faithful.

“This (translation change) is an opportunity to help our parishioners look with new eyes at the liturgy and rediscover and appreciate the Eucharist in a deeper way. Reviewing the parts of the Mass and the postures and gestures has been received very positively. Some of the wording is definitely a challenge, though, and will take time for us to be comfortable with the responses.” Sr. Mary Chamberlain, OSM is liturgist and pastoral minister at Prince of Peace Church in Kearney, Nebraska. “I have been blessed with wonderful people with whom to work. The musicians have become great friends to me, and they keep me going when life seems hectic. We have a very caring staff and a very welcoming parish.”

Sr. Donna Marie McGargill, OSM (Sr. M. Dolorita,) Liturgy Coordinator at St. James Church in Omaha highlights the benefits of the translation changes. “The most positive aspects of these changes are the opportunities for all involved to take a deeper look at the Liturgy and for all in the parish, from servers on up, to pay a bit more attention to all the wonderful graces and aspects of the Gift of Jesus we have in our Liturgy.” Sr. Donna Marie also shares her music ministry with her Servant of Mary community at Motherhouse Masses and Province special liturgies. “Preparing both the St. James parish and our Servite Sisters for the changes in the Mass was a challenge.” Sister Donna has been ministering in music and liturgy for most of her life. “I am truly moved and blessed to be a part of enabling others to use and claim their gifts in praise and worship for our most wonderful God.”

Parishioners at St. Pius X in Omaha, Nebraska were prepared for the text revisions of Roman Missal by a monthly class on liturgy and implementation of the Omaha Archdiocesan preparation program which included

Parishioners at St. Pius X in Omaha and Sr. Rosalie Riccobono, OSM (right) shop at the parish craft bazaar.
formation session for ministers. Videos about the Roman Missal were made available on the parish website. “It is a teachable moment. People are focused on the Liturgy and interested to know more about it,” says parish liturgist, Sr. Rosalie Riccobono, OSM (Sr. M. Magdala.) Sister has been liturgist at St. Pius X since 2005. “I love when parishioners feel empowered or grow into a deeper faith - a woman with Downs Syndrome enjoys her ministry as an altar server; children, budding musicians, offer their talents at Christmas time in praise of God.”

Liturgical ministry is only one type of Servite compassionate presence in parishes. Pastoral ministers offer their unique gifts for the needs of the parish.

Sr. Lucille Beaulieu, OSM (Sr. Alexine) taught for nearly 35 years before changing to pastoral ministry. Although she “retired” last year after 26 years of pastoral ministry, Sister continues to minister part-time at St. Augustine in North Bangor, New York. “I enjoy greeting the people before and after Mass on the weekends. It gives me great pleasure to see the faces of the parents and children when we exchange ‘high fives.’ I find visiting the sick to be very rewarding, especially spending time with those who cannot leave the nursing facility or are homebound. I try to remember how Mary must have felt when she took care of or visited the sick.”

Sr. Doris Durant, OSM (Sr. M. Carmela) is a pastoral minister at Prince of Peace parish in Kearney. Her responsibilities include the Prince of Peace Catholic Charities Council, prayer shawl ministry, RCIA team and scripture course facilitator. “Many years ago, I was making a ‘Word and Communion’ visit to Steve, who was unable to walk. He had made a gift for me - an 18 inch wooden replica of a water well, with a real turning wheel and a tiny pail. I have used this well for many retreats, especially about going deeper and accepting living water. It taught me that God gives gifts to everyone, even to those who appear to be dependent on others.”

Sr. Kathy Payne, OSM (Sr. M. Janice) is Director of Faith Formation at St. Francis Xavier parish in Petoskey, Michigan. “This ministry enables me to play a role in helping families grow in their faith. Let me share this priceless moment: A second grader, after receiving Jesus for the first time, put his arms over the back of the pew and said, ‘I have been waiting for this day my whole life.’”

Sr. Ann Marie Petrylka, OSM (Sr. M. Jude) has been a pastoral minister at St. Leo in Omaha since 2007. She is involved in adult education, RCIC, and ministry to seniors. “I love working with people in parish life. I am able to share in their faith lives and help them to grow spiritually and
emotionally. They come to a deeper sense of how much God loves them, and they share this with others."

Sr. Jackie Thorn, OSM (Sr. M. Loraine) just started her new pastoral ministry at St. Patrick Church in Fremont, Nebraska in the fall of 2011. Her responsibilities include ministry to the elderly; coordinating the Evangelization, Catholics Come Home, Social Concerns and Welcome Committees; preparing Baptism, Welcome packets and parish sympathy cards; RCIA; and going to classrooms at the schools when requested. “Through the Fremont Area Ministerial Association, we are in the process of getting a clinic started for the under-insured or non-insured. This will help the poor in Fremont and surrounding counties to receive the help they need and deserve. I am very impressed with the number of people in our parish and town that volunteer their services. We are all working together to make our parish reach out to others to carry on the mission of Jesus.”
Ministering to those with whom they live and work, Servants of Mary share their charism of compassionate presence in the spirit of Mary.

In Loving Memory

Marguerite Hurt
Servants of Mary Associate
September 30, 2011

Marguerite didn’t know how to say “no” so she was always very busy, but she seemed to possess a great deal of energy. Marguerite was a seamstress who did everything from patching overalls to making baptismal clothes. She was St. Josaphat’s parish representative for many years, and she was loved and respected throughout the diocese.

When she became an Associate of the Servants of Mary, a whole world opened up to her. She felt empowered to read in church and take on leadership roles that she shied away from earlier in her life.

I will always miss Marguerite and Vivian, and I’m grateful to have known them.

October 19, 2011

After her husband was killed in an accident when he was thirty-six, Vivian brought up their four children alone. She was so proud of her family. My favorite memories of Vivian were visiting her at home. She was often working on a quilt for a family member. How she made these huge quilts in her small house was a mystery to me. She was also known for her kolaches which were always in great demand. Sometimes when I visited, she would let me have a taste of them. Delicious!

Both Marguerite and Vivian were beautiful women, and we were very blessed to have them as Associate members.

A Time to Gather

On October 30, 2011 we gathered in Detroit to celebrate and remember time spent together. Benefactors, family members and the Servants of Mary participated in Mass and enjoyed catching up with each other over brunch. This annual event provides the Servants of Mary an opportunity to thank those that support our ministries as well as help provide for our daily needs. Highlights of this year’s event included a “State of the Sisters” update, the introduction of “Friends of the Servants of Mary” program, and a drawing featuring a hand-crocheted baby layette crafted by Sr. Justina Tsoku, OSM along with two quilts created by Sr. Karen Brown, OSM and Sr. Midge Petersen, OSM.

Garden Gala to Benefit the Servite Center of Compassion

A ministry of the Servants of Mary and located in the Motherhouse in Omaha, Nebraska, is our Servite Center of Compassion. The mission of the Servite Center of Compassion is to be “a sacred space in the city welcoming all with compassion and hope.”

In our continuing efforts to provide outreach and spiritual programming to the community, we are excited to announce our first annual Garden Gala, a benefit for the Servite Center of Compassion to be held on June 28. The Servite Sisters and staff will welcome benefactors, family and friends to the grounds of the Motherhouse. While enjoying beverages and hors d’oeuvres, those attending will have an opportunity to stroll the Healing Garden, learn of new programs being offered, walk through the gallery of original paintings by Sr. Barb Loomis, OSM, and view quilts made by Sr. Midge Petersen, OSM and Sr. Karen Brown, OSM.

For ticket information and underwriting opportunities, please contact Maria Marasco Farrell at (402) 951-3060 or osmdev@osms.org.

You Make the Difference!

Throughout the year, the Servants of Mary ask you to consider making a gift to support our retirement needs and our ministries. Your gifts make the difference in services we offer through our ministries across the country, and enable us to provide quality care for our retired Sisters. We are humbled by your expressions of love and gratitude and grateful for your generosity in 2011.

When considering a gift to the Servants of Mary, there are many options available to you. Contributions can be mailed or made online at our website www.osms.org (click on “Contribute to Our Mission.”) Online contributions are secure and processed through PayPal. A second option is to set up a monthly gift drafted from your banking account (EFT.) Lastly, you may want to consult with your financial planner regarding planned giving opportunities. Many planned giving opportunities allow you to make a gift to the Sisters during your lifetime as well as provide for you and your family.

If you would like more information on giving options, please contact Maria Marasco Farrell at (402) 951-3060 or osmdev@osms.org.
