Dear Friends,

This edition highlights anniversaries and jubilees, all of which represent years of dedicated service reflecting the mission and ministry of the Servants of Mary community. Just this year alone we are celebrating a combined total of over 450 years of Gospel living through the lives and ministries of our Jubilarians and Associates.

In June we celebrated the 150th anniversary of being aggregated to the Order of Servants of Mary. Our small community located in Cuves, France, received the habit of the Sisters of Calvary, consecrated to Our Lady of the Seven Sorrows on June 10, 1845. After the death of the superior, Sr. Marie Guyot, and for reasons dealing with the Revolution, the Sisters moved to London. The community grew and changed their name to the Sisters of the Compassion of Our Lady. During the coming years these Sisters recognized and appreciated the common bonds they had with the prayer life and ministry of the Servants of Mary. Mother Mary Philomena Morel, the Superior General, went to Rome seeking permission for the Cuves community to become aggregated to the Servite community. The formal decree was granted on June 18, 1864. This Congregation is now known as the Servants of Mary (London/Cuves). We currently have Sisters, and in numerous areas, Associates, in the United Kingdom, France, Belgium, Canada, the Congo, Austria, Jamaica and the United States.

This fall, the Sisters in the US community will be celebrating the 430 years of service given to the Church through the various ministries of our eight Jubilarians. Srs. Mary Alice Haley, Elaine Hartnett, Joan Houtekier, Ann Moran, Kathy Payne, Ann Marie Petrylka, Rosalie Riccobono and Joyce Rupp are featured in this issue and will be celebrating their Jubilees on October 11. We congratulate them all and are grateful for their dedication to their call to be Servants of Mary.

The final celebration marks the 25th anniversary of our first Associates. Julie Rowland, Robert Dickerson (now deceased) and Lisa Sheridan (now a vowed member), all of Portland, OR, were the first of our now 77 Associates to make a commitment to deepen their spirituality along with sharing prayer and ministry with the Servants of Mary. This took place in November of 1989. Lisa now serves as co-director of our Associate Program and shares some of the history of the program in this issue.

At the end of July, delegates from each of the areas of our Congregation will meet to approve plans for a change in our government structure. We ask for your prayerful support as we gather at our General Chapter in Paris from July 23-August 13. As has happened over the years, structures change to meet the needs of the time. This requires many adjustments and much trust in the Holy Spirit. Our theme, “Behold, I am creating something new,” reminds us of God’s constant role in our lives and how we have to be open to what God’s plans are for us. In our next issue we will share the outcomes of our deliberations.

Thank you for your many years of faithful support. Our history is richer because of your presence in our lives.

Sr. Mary Gehringer, OSM
Provincial

We are most grateful to everyone throughout the country who contributed to the Retirement Fund for Religious annual collection this past December. We have recently received our community’s Direct Care Assistance for 2014 which supports the current retirement needs of our Sisters. We pray daily for all of our generous donors who support our mission and ministry. God bless you all!
A sympathy or condolence letter can be a great comfort to someone who is grieving the loss of a loved one. It’s a way of letting that person know they are in your thoughts as they go through the difficult process of mourning their loss.

Finding the right words to use can be difficult because we may feel awkward and uncomfortable writing about a painful subject. Finding the “right words” isn’t as important as sharing a message that comes from your heart. Personal and heartfelt words serve as a tribute to the deceased and offer comfort to the bereaved. When you share your genuine thoughts and feelings, you are giving the bereaved a priceless gift.

A letter of condolence, should be written and sent within the first two weeks following the loss. If you are able, hand write the letter rather than typing and printing from a computer. If you use a store-bought card, write a personal note on the inside. You should write the letter the way you would normally speak to the person.

Here are seven suggestions to help you compose your letter:

1. Acknowledge the loss and refer to the deceased by name.
2. Express your sympathy.
3. Note any special qualities of the deceased that come to mind.
4. Include your favorite memory of the deceased.
5. Remind the bereaved of their personal strengths or special qualities.
6. Offer specific help.
7. End the letter with a thoughtful word, a hope, a wish, or expression of sympathy

Dear (recipient),

I was so very sorry to hear about the death of (name of deceased). I can’t begin to imagine how difficult this time must be for you and your family. I know (deceased) was a great (man, woman, husband, father, wife, daughter, boyfriend, etc). and that this loss will leave a great hole in your life.

(Deceased) was always so (funny, kind, helpful, cheerful, etc). I remember (share a specific memory about the deceased). I cherish that memory, and hope that it can bring a smile to your face even in this time of sorrow.

If you’d like, I could (specific offer to help in some way, “I know Phil took you to church every week. Shall I pick you up on Sunday?”). You have a deep inner strength, and even though it seems impossible right now, you will find a way to get through this.

Our love and support will always be here,

(Sender)

Sr. Margarita Simon, OSM

1926-2014

In 1946, Sister began her thirty year teaching career. She ministered in Detroit, Massena, Denver and Omaha teaching both elementary and high school students. She enjoyed teaching and still has many students who remember her fondly.

For anyone who knew Sr. Margarita, it was extremely evident that joy and compassion were the hallmarks of her vocation. Her apostolic service and community life reflected her deep love of God and her desire to make Jesus known to all. She was greatly loved and will be deeply missed by us all.

Sr. Germaine Burkhard, OSM

1910-2014

Sr. Germaine ministered as teacher, music minister, campus minister, Director of Religious Education, parish minister and language arts tutor for 66 years!

“From what I’ve heard from some of her students,” said Sr. Mary Gehringer at Sr. Germaine’s wake, “it seems she instilled that love of music in them when she taught. She helped them not only sing well or play an instrument well, but to become part of the music and give it life.”

Sr. Violet Mae Walker, OSM

1920-2014

Sr. Violet Mae taught in Detroit, MI, Sioux City, Gilmore City, Anthon and Salix, IA, Omaha and Denver. Sr. Violet Mae also served as principal while teaching in Anthon and Salix.

“I used to go, go, go, but I have learned that’s not the thing to do. We just have to wait for God – do our best and wait for God.” - Sr. Violet Mae Walker, OSM

It’s been an exciting three months in the Development Office. We have had a couple of events, made some headway in our pursuit of finding alumni from our schools, increased our social media connections and met or spoken to many people for the first time. Every day brings a new opportunity for me in the Development Office, and I look forward to more opportunities.

On Sunday June 1st, I had the honor of hosting a brunch here at the Motherhouse for the Golden Grads of Marian High School. The women of the Class of 1964 came for brunch and Mass in our chapel. The Golden Grads were able to reconnect with the Sisters and tour the grounds.

On Thursday June 12th, we hosted the 3rd Annual Garden Gala on a beautiful evening. The Gala is a fundraising effort for the Servite Center of Compassion. We were pleased to have two very talented artists perform a concert for us. First was Karly Jurgensen, a Marian High graduate. Karly played piano and sang two songs for us. Please visit her site at www.karlynmusic.com. Up next was Peter Mayer, who performed for about an hour for us. Peter played his guitar and entertained the crowd with his folksy music and humor. Please visit his site at www.blueboat.net. All who attended had a wonderful night of friendship, food and entertainment.

We are pleased to announce that our Memorial Wall has been installed at the entrance to the Chapel. The background panels are of leaves to tie in to the Healing Garden mural on the opposite wall. The names of donors and those they have memorialized are in glass panels over the leaves. It is a beautiful piece! I invite you to stop in to see it. If you would like information on being a part of the wall through a memorial gift, please contact me at 402-951-3060 or osmdev@osms.org to discuss the details.

Are you a graduate or former student of Servite High, St. John Berchman’s or St. Juliana’s in the Detroit area? If so, we are looking to add you to our email and social media databases. Please visit our website and click to enroll in the email program. If you have friends and family that attended those schools, please ask them to join our list as well.

I would like to close by offering a thank you – to all of you, our generous benefactors. You continue to enrich our lives with your prayers, phone calls, volunteering, words of encouragement and financial donations. Our work to be a “compassionate presence” is enhanced by all you do for us. On behalf of the Sisters, I offer my sincere thanks to all of you for being a part of our community in so many different and wonderful ways.

The Associate Program Turns 25: A Reflection

By: Lisa Sheridan, OSM Co-Director of the Associate Program

The Mission of the Servants of Mary is to manifest God’s compassionate presence in the spirit of Mary.

Our commitment to compassion calls us to: Witness Gospel values - Center our lives in love of God and neighbor - Through Prayer, Community, Service - Share with others healing and hope
Be in right-relationship with all of creation - Welcome others in a spirit of hospitality – Live joyfully our charism.

The mission of the Servants of Mary is one of invitation and one that the sisters realized did not solely belong to them but also was being lived out by many lay people with whom they shared their lives. Twenty-five years ago the Sisters invited friends, co-workers, and family to consider a new way to companion with the Servants of Mary. After a year of consultation and planning, the Servants of Mary’s Associate Membership Program was founded.

In November of 1989 the first three lay people said yes to the call of Associate Membership and in a simple and small ceremony made a commitment to minister with compassion, to deepen their spiritual lives and to share prayer with the sisters. These first three associates were Julie Rowland, Robert Dickerson, and Lisa Sheridan, all from Portland, Oregon. It wasn’t long before similar commitment ceremonies were being held across the United States. Today, the Servants of Mary have 77 associates.

Each associate has made a personal commitment to share in the charism of compassion. This commitment is lived out in many diverse ways. From traditional ministry of education, parish work and chaplaincy, and prayer, to ministering to felons, immigrants, being a compassionate presence in the business world, mentoring, pet therapy, prayer shawl ministry – just to name a few.

What has the Associate Membership Program done for the Servants of Mary? It has allowed our charism to live in places where our sisters are not able to minister. Though distinctly different from vowed membership, sisters and associates alike meet together to share their faith and participate in on-going enrichment with the goal of expanding our response to the gospel call.

Twenty-five years ago, at the inception of the Associate Membership Program, a phrase appeared on the literature “we believe in who we are and what we do together.” Today, this phrase continues to be the foundation of sisters and associates coming together and living out the Servite charism.

A personal reflection: Twenty-five years ago the sisters I worked with invited me to become an associate with the Servants of Mary. At that time the sisters were just beginning their Associate Membership Program and had a little difficulty in explaining exactly the role of an associate. I along with two of my friends said yes to the invitation from the sisters and began reflecting on how we lived out the Servite charism. At that time I saw my work in an office as a job in which I got the opportunity to help people. The sisters helped me to see that truly I was involved in a ministry of compassionate presence.

It became clear to me why the sisters had difficulty defining associate membership. As time went on, as I continued to grow my faith life and a greater understanding of ministry, I began to realize that my commitment to associate membership changed and deepened as I came to know that in my ordinary life, in my own little corner of the world, I was living out the Gospel.

After ten years of being an associate, the sisters once again had another question for me – would I consider vowed life. Hesitantly, I began to discern the possibility of living out my call in another lifestyle. I said “yes” and have now been a sister for 15 years.

The journey as an associate taught me my true vocation. And that is, to live every day intentionally, wake up, greet God, and do the work/ministry that allows me to live with both passion and compassion. My true life vocation is to continue our life of faith, growth, and love.

What being an Associate Means to our Associates

As a recipient of a Servite education at Holy Name grade school and high school, I am very aware of the importance of a Catholic upbringing. My association with these nuns helped me throughout my life to make right decisions and to raise my children with Catholic ideals. My family is blessed to be part of the Servants of Mary. Several graduates of Holy Name high school are professed Servites, and they are so special to me. It was natural to maintain my tie with the Servites by joining the Associate program. I am so grateful for it. - Rosemary Holeman

I have been privileged to be an Associate of the Servants of Mary since 1991. Servite Sisters influenced me from the age of twelve at Christ the King grade school, Marian high school, and throughout my young adult years as I entered my profession of nursing and became a wife and mother. Being a part of Servite Community as an Associate means friendship in the truest sense of holistic integration of mind, body, and spirit. - Maureen Bausch

The Servants of Mary Associate Program just seemed like “the right fit” for me. I had been living with a Servite Sister since 1985 and when the Associate Program started, I was interested. The main idea which I ALWAYS see in action with the Servites is “The Compassionate Presence of Mary and Jesus”. I see it in their selfless giving, the ability to take whatever comes their way with grace and their sincere devotion to Mary and to her Son. I am always on the “receiving” end of this generosity, love and compassionate presence and I will always be grateful. - Maureen Bausch

We Want Your “Likes” and “Shares”!

Our social media sites have gained in popularity over the last three months. Our numbers are up on both Facebook and Twitter. We are running a campaign to increase our Facebook “likes” and Twitter followers by mid-July. If we reach our stated goals (375 Facebook likes and 75 Twitter followers) we will select one random Facebook friend and Twitter follower and send them each a $25 Visa gift card. Please help us spread the word by liking our pages and sharing our posts with your own social networks. With your help, the Sisters can connect with more friends and spread the word about our ministries.

Our most popular social media sites are:

- Facebook – www.facebook.com/servites1
- Twitter – www.twitter.com/servantsofmary1
- Blog – www.servantsofmaryblog.wordpress.com
- Pinterest www.pinterest.com/servantsofmary
- YouTube – www.youtube.com/theservantsofmary

We invite you to visit all of our sites and to follow, share, tweet, watch, pin and scan on your own social media sites in order to help spread the word about the Servants of Mary.
